Dear Friends,

As hospice patients and families know, every day is a gift. For families facing life-threatening illness, ordinary moments, such as a hug, a walk or sharing a conversation, take on new meaning. Trustbridge brings a commitment to doing whatever it takes to make more of these moments possible.

It is a sacred trust to care for those who are facing the end of life. We are honored that in 2019, families in our community put their trust in us and allowed us to care for over 11,000 patients. At Trustbridge, we believe that every family facing serious illness deserves physical comfort, emotional well-being, and personal dignity. The staff of Trustbridge is privileged to help each patient and family member navigate this journey and to provide extraordinary care to meet their medical, emotional and spiritual needs.

Thank you for trusting us to care for our patients, your families and our community. It is with your continued support and trust in our vision and mission that Trustbridge will be able to continue to provide the same outstanding care to everyone in our community.

Sincerely,

David C. Fielding
